ATTENTION: the mattress protections is not an undersheet, if you need this kind of protection do the necessary. **Don't forget your sheets, pillowcases.**

Every object on this list have to replace immediately and similar when something is broken or damaged. We trusted you a chalet clean, you have to leave it the same way you had on your arrival. **Don't forget** to defrost the refrigerator, clean under the beds, shake the undersheet, blankets and fold them up in the rooms.

THANK YOU VERY MUCH AND WE WISH YOU A PLEASANT STAY IN "ECUREUILS"!!!!
